v.

Case No. 22-CV-382-SE

Kysa Crusco, et al

Defendant(s)

MOTION TO/FOR Motion To Extend Time for Service
(enter title of motion)

I am a Pro Se Litigant on permanent Medical Disability due to PTSD, Anxiety, Depression, Tinnitus, Deafness and balance issues. I was so triggered by the malfeasance in my case (divorce/custody / Probate), that I was in the middle of extreme emotional distress when I filed the Motion. I thought the entire thing was dismissed, which is why I didn't file anything else. → ^{see} attached for additional information

I would like to request additional time to execute service based on my mistake as a pro se litigant under extreme stress and because I found additional information regarding crimes that have been committed against my daughter and me including, but not limited to multiple violations of my daughter's Constitutional Rights and mine and there are several judges, marital masters, Referee's, Court Clerks, Attorneys, Guardian ad Litem, psychologists, law enforcement officers, etc., involved in the crimes and violations.

I have contacted Kathleen Zellner Law offices and I'm seeking counsel to represent my daughter and me in the largest Kidnapping for profit scheme being committed against Children in NH and their unsuspecting good parents who used to have faith in the justice system.
